2007 GM K1500 Tie Rod End Retrofit Reimbursement Form

In order to receive reimbursement for the labor of installing the Tie Rod End Retrofit kit the following information must be completed and returned with the used Tie Rod ends and a copy of the original installation receipt to Fabtech by the Installer. This reimbursement only applies to vehicles with installation dates after 3/9/07. If the parts were installed prior to this date no reimbursement will be provided as it is unnecessary to perform this retrofit process.
